Notice/Objection Tracker/2024/520

Date: 03-04-2024

Public Notice Regarding Objection Tracker

Query 1: Will the candidate get a refund of the amount paid for raising objections, if at all the Objection gets approved/accepted?

Response: Any candidate who doubts any question or answer as incorrect, he/she can raise an objection by paying the objection fee (non-refundable). If the objection is accepted, the corrective action will be applicable to the corresponding batch.

Query 2: If the Objection is accepted, who all will get benefited from this objection. Only the candidates who paid the fee or all?

Response: All the objections which will get approved/accepted, the corresponding corrective action will be applicable to all the candidates of the entire batch, irrespective of the fact whether they had raised an objection or not.
